

# Proceedings Sixth International Symposium On Wearable Computers (ISWC 2002): 7-10 October, 2002, Seattle, Washington

## International Symposium on Wearable Computers ; IEEE Computer Society

Mark Billingham - UC SPARK - University of Canterbury - New . 14 Feb 2014 . Sixth International Symposium on Wearable Computers (ISWC 2002): Proceedings: 7-10 October, 2002, Seattle, Washington Sixth International ... Proceedings Sixth International Symposium on Wearable Computers Sixth International Symposium on Wearable Computers: ISWC 2002 . Magic Ring: A Finger-Worn Device for Multiple Appliances Control . In Proceedings of the Sixth International Symposium on Wearable Computers (ISWC 2002), 7th-10th Oct., 2002, Seattle, WA, IEEE Press, Los Alamitos, pp. 2002 Archived Conference Information Method, apparatus and computer program product for a tag-based visual search . 10 - 12, 2000; [PROCEEDINGS OF THE INTERNATIONAL CONFERENCE ON ... sites with wearable and mobile computers WEARABLE COMPUTERS, 2002. ... SIXTH INTERNATIONAL SYMPOSIUM ON SEATTLE, WA, USA 7-10 OCT. Prof. Dr.-Ing. Michael Beigl - Institut für Betriebssysteme und ... Sixth International Symposium on Wearable Computers: ISWC 2002 : (proceedings : 7-10 October, 2002, Seattle, Washington) . Sixth International Symposium on Wearable Computers (ISWC 2002) . 4 May 2012 . Proceedings of Sixth International Symposium on Wearable Computers (ISWC); Seattle, WA, USA. 7-10 October 2002; pp. 65-72. 7. Efstratiou ... T. Martin, P. Athanas, and M. Jones, "SBIR Phase I: Wearable Computer for Enhanced ... "Extracting Behavioral Information from Electronic Storyboards," Proceedings of the 6th ... Proceedings of the 2009 IEEE International Symposium on Wearable ... Symposium on Wearable Computing, Seattle, WA, Oct 7-10, 2002, pp. htilabsingDRAFT16.doc - Human Interface Technology Laboratory Textiles: A Platform for Pervasive Computing," Proceedings of the IEEE, volume 91, number 12, . (ISWC), October 2005, pp. ... 2004 International Symposium on Wearable Computers, Arlington, VA, Oct. 31-Nov. ... Proceedings of the Sixth International Symposium on Wearable Computing, Seattle, WA, Oct 7-10, 2002, pp. Publications - Institut für Pervasive Computing 10 Oct 2002 . Sixth International Symposium on Wearable Computers (ISWC 2002) : proceedings : 7-10 October, 2002, Seattle, Washington. [IEEE Computer ... P-37: Optical Fiber scanning as a Microdisplay source for a . I am interested in creating novel forms of interaction with computers situated in the . Papers not in the database: RF Free Ultrasonic Positioning [PDF 271KB], Seventh International Symposium on Wearable Computers, White Plains, NY, October ... on Wearable Computers (ISWC), Seattle, WA, USA, October 7--10, 2002 ... Material Search 3 Jun 2009 . INTERNATIONAL CONFERENCE ON COLLABORATIVE VIRTUAL ... 2000; [PROCEEDINGS OF THE INTERNATIONAL CONFERENCE ON ... wearable and mobile computers WEARABLE COMPUTERS, 2002. (ISWC 2002). ... SIXTH INTERNATIONAL SYMPOSIUM ON SEATTLE, WA, USA 7-10 OCT. Michael McCarthy - Department of Computer Science Publications: Conference and Symposium papers . 10th IEEE International Symposium on Wearable Computers (ISWC 2006), Montreux, Switzerland, 11 - 14 October, 2006. ... Proc. 6th IEEE International Symposium on Wearable Computers (ISWC 2002), Seattle, WA, USA, 7-10 October, 2002. pp.164-165. PDF · Poster . Proceedings Sixth International Symposium on . - IEEE Xplore 10 Oct 2002 . (1mb 761kb) 6th International Symposium on Wearable Computers: ... on Wearable Computers (ISWC 2002), Seattle, WA, USA, 7-10 October, ... 1 Thomas L. Martin Education: Employment: Honors ... - Overview He is co-founder and member of the supervisory board of Particle Computer, . of the PC of the IEEE International Symposium on Wearable Computers (ISWC 2009), .... of the Ubicomp 2003 Conference, October 12-15, 2003, Seattle, Washington, ... and Wearable Computing (IWSAWC) 2002 Vienna, Austria July 2nd, 2002 ... ?The evolution of perspective view in WalkMap - ACM Digital Library 1 Oct 2003 . In: Proceedings of the Sixth International Symposium on Wearable Computers (ISWC), Seattle, WA, 7-10 October 2002. 8. 8. Levine M ... Modern Stroke Rehabilitation through e-Health-based Entertainment - Google Books Result Proceedings Sixth International Symposium on Wearable Computers (ISWC 2002) : 7-10 October, 2002, Seattle, Washington /. sponsored by IEEE Computer ... The Home Page of Gabor Blasko - Columbia University (2002). State-of-the-Art Survey of Existing Human Factors Tools. (February 2001). ...
